In forwarding herewith, the objection statement of the Accountant-General regarding the pay of the midwife of Rural Dispensary ,Kunjal, for the month of January 1933, I have the honour to state that the bill for January 1933, was passed for payment only on 2-8-1933, and was actually drawn on 28-8-1933,. There was no medical officer at Kunjal in the month of January and so there was much correspondence as to who was the certifying authority about the work of the midwife which caused inordinate delay in passing the bill. As per G.O.No.1932,P.H.dated 9-9-1932; the bill ought to have been cashed by the 15th August; but it was delayed for cashing till the 28th August. Hence the objection from the Accountant-General. So I request you to be kind enough to obtain sanction of the Government for its payment.

Ref:- This office letter ref. No. 1496-D/33, dated 24-11-1933., regarding the subsidy bill of the midwife, rural dispensary, Kunjal.

In continuation of this office letter No.1496-D/33, dated 24-11-1933, I have the honour to furnish herein enclosed the subsidy bill of the midwife, Rural Dispensary Kunja l, Udipi Taluk, for the months of February, March and April.

The Pay bill was sent to the Accountant-General for pre- audit and the same has been returned for obtaining the sanction of Government as the claim is more than six months old. The bill was not drawn before six months as the bill for January was only passed for payment from this office on 2-8-1933, and drawn on 28-8-1933. as explained in my previous letter. Since the bill was not drawn for January 1933, till the end of August she was not in a position to give her acquitance for January while presenting the bills for the succeeding months.

I, therefore, request you to be kind enough to obtain the sanction of the Government for its payment.

The arrear subsidy recommended for payment by the S.G. is in respect of the midwife employed in the rural dispensary at Kunjal under the Society Kanara Dt. for the ~~period~~ January 1933. The subsidy should have been drawn before 15.8.33. The D.M.O. South Kanara has reported that there was no medical officer at Kunjal in the month of January and that there was much correspondence as to who was the certifying authority about the work of the midwife which caused inordinate delay in passing the bill. It is seen that the bill was passed by the D.M.O. on 2.8.33 but that the medical practitioner delayed casting it till 28.8.33. ~~The delay involved is only 13 days~~. In view of the recommendation made by the S.G, the Subsidy may be

sanctioned.

Please see the letter since received from the S. G on p 4 c/f requesting sanction for the payment of subsidy for the midwife in the rural dispensary at Kunjal for February, March & April 1933. The reason why these subsidy for these months could not be drawn within the prescribed dates is reported to be that the midwife was not in a position to furnish her acquittance for January 1933 for claiming the subsidy for the succeeding months. the claim for January is under consideration in this file - ~~of the Govt and it is proposed to Sanction the payment of Subsidy for January 33.~~ Vide the ~~previous~~ note on p 1 above ~~above~~ the

subsidy for the months subsequent to January 1933 ~~could~~ can be drawn only when the D.M.O. certifies on the bills which he passes that the acquittances of the midwife for the previous months have been obtained in his office after necessary check with the office copy of the bills - Vide M on p2 of G.O No 1932 P.H of 9.9.33. As the subsidy for January itself was not drawn for the reasons stated on p1 ante, the payments for July, March & April 1933 had to postponed. Submitted that in the circumstances stated above, the claim may be admitted.

The draft order already put up has been corrected wherever necessary. It may be sent to him for acceptance
